Mukta Arts	16 October 2026	Status update, 15 October

Summary

What is done

We checked the 19 items the 15 October update listed as left, page by page, in the code and on the running site. Four are complete, six are partly in, and nine are still to do.

4
Items complete

6
Items partly done

9
Items still to do, listed on the next page

Page	Change	Status
Home	Bullet points now sit under each vertical. SGM keeps its short paragraph.	Done
About	Short labels such as "Cult Classic" removed. Films carry only name and year.	Done
About	All seven directors now have their photo.	Done
Mukta A2	Theatre section redesigned: four tabs (Operational, Management, Joint Venture, International) with counts.	Done
Home	Stats strip is back with 45+, 50+ and 35. Alumni still reads 4000+ (should be 4500+) and cinemas 57+ (should be 37).	Part done
Home	Your photos are on the WWI and Mukta A2 cards. The SGM card and the WWI panel still use older images.	Part done
About	Top gallery uses 8 of the 9 photos. One is switched off.	Part done
Productions	Every one of the 52 films has its own poster. They are not yet the files from your poster folder.	Part done
Whistling Woods	Grain removed across the site, except one layer left on the milestones section.	Part done
SGM Studios	Hero image replaced. The showreel still shows placeholder images.	Part done

What is left

Eight items are with us. One needs text from you.

Page	Still to do
Home	Use the remaining photos from your Home folder. One of the six is in so far.
Home	Sharper brand film, with a still image while it loads.
Home	Remove the separate Mukta VN Films page and keep its content on Home. The page still opens and is linked from the footer.
Home	Shorten the long scroll sections. The verticals section is currently longer than before.
About	Use your images for Founded, IPO, Whistling Woods and Mukta A2 on the timeline.
Productions	Fix the character error in the intro line and in "Jogger's Park".
Whistling Woods	Replace the placeholder images in the hero, milestones and gallery.
Submit Script	Replace the placeholder image.
Submit Script	Add the legal disclaimer. Waiting on you

Before handover

Home page loading	Every file the site asks for is present. Home loads with no errors on our local build.	Done
Test script submission	Both files are attached to the email. The address it goes to still has to be set to pitch@muktaarts.com and tested.	Part done
Spacing, scroll and devices	Scroll smoothing has been tuned. The full pass on spacing and on phone and tablet is still to do.	Part done
