From seating to ambience, every detail inside the theatres is designed with the audience's comfort in mind. The lobby is welcoming and thoughtfully designed, offering a calm space to relax before your movie. Each screen features only premium seating, including recliners, loungers, couple's beds, and sofas in a rich leather finish. There's extra legroom, cup holders, and wide armrests—making sure you enjoy every minute of your movie. The cinema is also equipped with 2K laser projection, Dolby Atmos sound, all-silver screens, and immersive 3D technology—so whether it's an action-packed blockbuster or a quiet drama, the sound and picture quality will always impress.

Rahul Puri, **Managing Director, Mukta A2 Cinemas**, said, *"Opulence is not just a cinema format—it's an experience. We've designed it for people who love films and want to enjoy them in absolute comfort. Vadodara has always been a great market for cinema, and we're proud to bring this concept here first."*

The food and beverage section is equally premium, offering a gourmet menu and a variety of fresh snacks, wraps, pizzas, desserts, and a wide range of hot and cold beverages. The space has been styled to match the overall look and feel of the cinema—with sleek counters, ambient lighting, and quick service.

Satwik Lele, **COO, Mukta A2 Cinemas**, added, *"We've always believed in giving audiences something extra. With Opulence, we're raising the bar. This property brings together comfort, technology, and hospitality—all under one roof."*
